

BlackBerry 8700g™

Sleek, stylish and super-fast.

Designed for...

Customers wanting the latest, fastest QWERTY handheld device.

A bit more detail

- New powerful 312Mhz cellular processor – so quicker and more responsive when switching between applications, browsing the web or searching emails and data on the device
- Light sensing screen – optimises LCD lighting levels automatically for ideal indoor and outdoor viewing
- Enhanced display 320x240 (1/4 VGA) for a rich viewing experience
- 64MB Flash memory – more space for data and applications.

A few great reasons to have the BlackBerry 8700g

- All-in-one device for push email, browsing, applications, text and voice – makes your life easier
- An enhanced phone experience – dedicated Send, End and Mute keys
- QWERTY keyboard for fast data entry
- Quad band - 850/900/1800/1900 – use in even more overseas places
- Smaller, lighter, sleek and stylish
- Easy to navigate with Thumbwheel and Esc key.

BlackBerry 8700g

The BlackBerry 8700g is available with both our BlackBerry Enterprise Solution™ and BlackBerry Internet Service™.

BlackBerry Enterprise Solution

Get secure and easy access to your business email, company data, Intranet and the Internet. An 'always connected device' that integrates with your existing systems

BlackBerry Internet Service

Get access to your Internet Service Provider (ISP) emails on a BlackBerry device. ISP emails are automatically sent to the device.
